Virtual Training Guidelines

As a participant in Virtual training to ensure all training goals are achieved, we ask for the following:

- Please be on time for the session and ensure your camera and microphone are working
- When asking questions, please use the chat function to ensure we address all enquiries
- When not actively involved in discussion, please have your mic off to reduce distractions for all participants
- These sessions are designed to accommodate six participants. Participants will be attending from various organisations. This will enhance peer learning and networking opportunities.
- Please have LLEAP software on your PC**
